LOCATION: Art Department

SALARY: Salary commensurate with education and experience

APPOINTMENT: Fall Semester 2010*;* Tenure-Track position
This position is assigned an academic year work schedule.

JOB SUMMARY:
Focus will be on teaching Graphic Design and Interactive Media courses with the possibility of teaching 2-D Design. Current courses will include Graphic Design 1, Graphic Design 2 and Visual Web Design.

DUTIES & RESPONSIBILITIES:
- To teach Graphic Design and Interactive Media courses with the possibility of teaching 2-D Design. Current courses will include Graphic Design 1, Graphic Design 2 and Visual Web Design.
- Actively participate in departmental and college committee work, such as; continuing significant professional achievement and/or exhibition record; development of curriculum and programs, student advising, and community service outreach.
- Use technology to manage classroom administrative functions and to communicate effectively with the campus community.
- Contribute to a dynamic teaching/learning environment requiring adaptability, creativity, and teamwork.
- Active and continuous participation in professional development that is discipline specific.
- Demonstrate commitment to the community college mission and its diverse student populations.
- Travel and teach at multi-campus locations as required by department needs.

MINIMUM QUALIFICATIONS:
- MFA in graphic design, web/digital/interactive media required.
- Teaching experience at the college level.
- A demonstrated mastery of interactive design, typography, and technology.
- Proficiency in applications relating to: print and screen publication design, interactive design, digital imaging, animation, sound, and video/motion.
- Ability to teach complex team projects at each level of the curriculum, primarily entry level.
- Strong professional accomplishments in web and interaction design, digital media and graphic design.
- Record of excellence in teaching, curriculum development and outcomes assessment.

MINIMUM QUALIFICATIONS (Continued):
- Experience using technology to enhance instruction, manage classroom administrative functions and communicate effectively with the campus community.
- Strong communication, organizational, and interpersonal skills, and a collaborative approach to working with students and colleagues.

PREFERRED QUALIFICATIONS:
•A background working in a collaborative educational environment.
•An interest in course development.
•An interest in developing community-based, inter-disciplinary and on-line courses.
•A background in grant writing and interest in working with regional industry.
